[15:29] <autismmaster69> unless your paying me
[15:29] <chairmancaleb> @sprank_n, That wasn't even the main point, you're straw manning something that wasn't the main topic in the first place. He ignored Phil and his team, he doesn't deserve respect. Case and point.
[15:29] <sirnoblex> @Kinggoken He will probably never watch Phil after being roasted.
[15:29] <superslygaming> captain is worse than harvey weinstein

[15:30] <encelor> dunno the triggered salty dood when to far with the insults tbh

[15:30] <chairmancaleb> @wxrxaxtxh, Is that the point? He ignored, something you tried to argue.

[15:31] <chairmancaleb> @sprank_n, And you also don't act selfishly in a party that's telling you to stop. He does not have the moral high ground.

[15:36] <silkyenigma> Captain explain your side on a detractor podcast.

[15:36] <vendatus> LUL

[15:36] <chairmancaleb> @sprank_n, if your definition of "insulting" is pointing out something that's not helping, then you have a peculiar view on how stuff works. I won't deny that the other guy insulted him, but Phil was very light on the guy.

[15:36] <fruez> I love watching a cyberbully stream Kappa

[15:36] <cookiemonster414> wait is that david tennant..

[15:36] <sprank_n> @ChairmanCaleb it's like me telling you to do something and you don't do it and i start calling you an idiot, with a mic up his ass who sucks at life

[15:36] <themaskmann> I correct bad guys for a living

[15:36] <zangba> Captain told me he's honestly probably one of the overall best gamers in the country.

[15:38] <encelor> @Fruez respect my white guilt privilege or else imma cry murder and say you raped me

[15:38] <chairmancaleb> @sprank_n, See, if he's uploading this, don't you think there was some ulterior motive in the first place? He knew that if he ignored what they were saying, people would start getting impatient and inevitably annoyed. How are you not putting two and two together?

[15:38] <encelor> Kappa

[15:38] <fruez> @Vendatus You cheered to DSP, Your parents are proud Kappa

[15:40] <chairmancaleb> @sprank_n, I would advise you to look up the definition of paranoia, that's not what's going on, lol. If you're so blinded that you obviously can't see the main intent of what this was about, then you're just blind.
